WORK EXPERIENCE

Altor Danışmanlık - Fullstack Developer- Hybrid

TypeScript | JavaScript | Node.js | React.js | Next.js | C#(ASP.NET) | Flutter

Istanbul, Türkiye

December 2023 - Present

- Taking full responsibility for full stack applications using TypeScript, Next.js, Node.js, ASP.NET and Flutter.
- Demonstrating strong problem-solving skills with a focus on debugging and troubleshooting complex issues.
- Specializing in LLM-based web app development within the research and development team using OpenAI API.
- Enhancing development efficiency and collaboration by incorporating agile methodologies.

Avocado10 Technology Services - Frontend Developer - Hybrid

TypeScript | JavaScript | React.js | Next.js

Istanbul, Türkiye

January 2023 - October 2023

- Contributed to 80% of the CRM web application lifecycle (SDLC) by engaging in early-stage development.
- Developed a scalable, reusable codebase through best practices, enhancing scalability and maintenance.
- Collaborated with cross-functional, agile teams to analyze requirements and design new features and integration.
- Integrated the CRM application with internal and external RESTful APIs, enabling JSON data exchange.

Workcube - Frontend Developer - Hybrid

JavaScript | ReactJS | Html5 | CSS3 | Bootstrap5 | Tailwind CSS

Istanbul, Türkiye

January 2022 - April 2022

- Collaborated with developers and QA engineers in a scrum environment to develop an ERP web application.
- Translated software documentation from Turkish to English. Converted Figma files to React Landing Pages.
- Ensured seamless user experience by implementing cross-browser compatibility strategies to develop UI.

Gramoni - Frontend Developer- Hybrid

JavaScript | React.js | Html5 | CSS3

Istanbul, Türkiye

August 2021 - December 2021

- Developed user interface (UI) components with a mobile-first development approach and responsive design.
- Completed comprehensive training sessions focused on JavaScript and ReactJS successfully.
- Collaborated with cross-functional agile teams to incorporate UX considerations into application development.

- **Interpersonal skills:** Leadership | Client Management | Team Collaboration | Problem-Solving Attitude

PROJECT

Pet Love (A pet adoption platform) [Live Site](#) | [Backend Code](#) | [Frontend Code](#) | [Youtube](#)

Tech: TypeScript, Node.js, Express.js, Prisma, PostgreSQL, Next.js, Redux, MaterialUI, RTK Query, Axios, JWT.

- It is a pet adoption platform where users can adopt a pet and admin can approve or reject adoption requests.
- Developed robust search features and allowed users to narrow down search results based on specific criteria.
- Implemented a secure system to authenticate the identity of users and what users are allowed to do.
- Created a dashboard interface that adapts to different user roles (e.g., admin, owner) with specific permissions.

COURSES

Advanced Full Stack Web Development Bootcamp

Programming Hero (November 2023- July2024)

Full Stack Web Development Bootcamp [Certificate](#)

Programming Hero (June 2022- December 2022)

Frontend Web Development Bootcamp [Certificate](#)

Kodluyoruz (June 2020-July 2020)

EDUCATION

Anadolu University - Bachelor of Architecture (GPA: 3.23)

2013-2018

LANGUAGES

Native: Bengali

Fluent : English, Turkish
